This certificate is valid for **90 days** from date of purchase

For full details and our terms and conditions please go to our website:

www.sunshinecoastflying-school.com.au

IMPORTANT! PLEASE READ:

This is an 'extreme' ride, in a special purpose aircraft built to military specification and registered in Australia in the 'Limited' Category. The design, manufacture, and airworthiness of the aircraft are not required to meet any standard recognised by the Civil Aviation Authority (CASA) and CASA does not require the aircraft to be operated to the same degree of safety as an aircraft on a commercial passenger flight. The passenger flies in the aircraft at his or her own risk and will be required to read and sign their acknowledgement of the risks and a liability release. The passenger must be in good physical health. Minimum passenger age is 14 years. Maximum passenger weight is 120kg. Persons under 18 years of age will require parent or legal guardian authorization..
