

## Flight Training - Comparison

The Sunshine Coast Flying School's **Recreational Pilot Certificate (RPC) Course** covers much more than the minimum required by RAAus. Our RPC course is designed to teach you superior flying skills and instil confidence in your abilities as a pilot.

The table shows a comparison between the Sunshine Coast Flying School's RPC Course and the RAAus 'minimum content' course followed by most flying schools.

| Training Elements  |  | Others |
|--|---|--------|
| Effects of Controls  | ✓   | ✓      |
| Straight & Level   | ✓   | ✓      |
| Climbing & Descending  | ✓   | ✓      |
| Turning  | ✓   | ✓      |
| Steep Turns - 45 deg Bank Angle                                | ✓   | ✓      |
| Steep Turns - 60 deg Bank Angle                                | ✓   | ✗      |
| Straight and Level Stalls                                      | ✓   | ✓      |
| Slow Speed Flight Maneuvering                                  | ✓   | ✗      |
| Steep Turn Stalls  | ✓   | ✗      |
| Falling Leaf Stalls  | ✓   | ✗      |
| Skidding Turn Stalls   | ✓   | ✗      |
| Take off, Circuit, Approach & Landing                          | ✓   | ✓      |
| Glide Approach and Landing                                     | ✓   | ✓      |
| Constant Angle Approach and Landing                            | ✓   | ?      |
| Side Slipping  | ✓   | ✓      |
| Side Slipping Turns  | ✓   | ✗      |
| Wingover / Lazy Eight Turns                                    | ✓   | ✗      |
| Orbits over a ground reference                                 | ✓   | ✗      |
| Cross Wind Circuits  | ✓   | ✓      |
| Circuit Emergencies  | ✓   | ✓      |
| Low Level Circuits (500')                                      | ✓   | ?      |
| Practice Forced Landings                                       | ✓   | ✓      |
| Precautionary Search & Landing                                 | ✓   | ✓      |
| Incipient and Fully Developed Spin Recovery                    | ✓ *   | ✗      |
| Unusual Attitudes (over 60 deg Bank or Pitch)                  | ✓ *   | ✗      |
| <b>Other Differences:</b>                                      |   |        |
| Close to a controlled airspace location, but without the costs | ✓   | ?      |
| Student Folder - Instructor Briefings & Reference Notes        | ✓   | ?      |
| Option to video record each Lesson                             | ✓   | ?      |
| Online Student Reference / Resource Centre                     | ✓   | ?      |

\* Optional - (in Robin R2160)
